Evaluate each section of the Request for Funding on a scale of 1-5. **1=Strongly Disagree through 5=Strongly Agree** Maximum score per request is **45 points.** 

For those not evaluating a proposal due to a **conflict of interest,** put "COI" in the score box.

Overall proposal evaluation scores will be averaged using the number of members evaluating that individual proposal.

		Design and Scope of Work		Planning			Other Funds	Budget		Sustainability	
		The strategies are clear, effective, and appropriate to the problem(s) outlined.	This is an urgent problem needing attention.	The request is well supported by multiple MN conservation plans.	The request is fully grounded in conservation science.	The request effectively addresses one or more relevant LSOHC section priorities	The request maximizes leverage and coordination with other funding sources.	The budget supplements the organizations traditional funding sources rather than substitute.	how the OHF money will be used and the level of funding is reasonable for	and Maintenance The request clearly specifies who is responsible for, how, and funding sources for the accomplishments will be sustained and maintained.	
	Project Title				<u> </u>						Total
F-01	Minnesota Forests for the Future										0
F-02	Lake County Forest Habitat and Access Protection Project										0
F-03	La Salle Lake: Protecting Critical Mississippi Headwaters Habitat										0
F-04	DNR Accelerated Forest Habitat Enhancement										0
F-05	Northeastern Mn Sharp-Tailed Grouse Habitat Partnership										0
F-06	Lower Mississippi River Habitat Partnership										0
F-07	Protect Key Forest Habitat Lands - Cass County										0
F-08	Lake of the Woods School Forest Restoration Program										0
H-01	DNR Aquatic Habitat Program										0
H-02	MN Trout Unlimited Coldwater Fish Habitat Enhancement Program										0
H-03	Grand Marais Creek Outlet Restoration										0
H-04	Land Addition to Janet Johnson Memorial WMA										0
H-05	Metro Big Rivers Habitat Phase 2										0
H-06	Protecting Sensitive Shorelands in North Central Minnesota										0
H-07	Klinder Conservation Easement										0
H-08	Carp Exclusion Fish Barriers for Water Quality Improvements										0
H-09	Rat-Root River Erosion Control and Walleye Spawning Enhancement										0
H-10	Restoring Native Habitat/Water Quality to Shell Rock River										0
H-11	McGregor Rice and Wildlife Property										0

		The strategies are clear, effective, and appropriate to the problem(s) outlined.	-	The request is well supported by multiple MN conservations plans.	The request is fully grounded in conservation science.	The request effectively addresses one or more relevant LSOHC section priorities	The request maximizes leverage and coordination with other funding sources.	The budget supplements the organizations traditional funding sources rather than substitute.	The budget clearly identifies how the OHF money will be used and the level of funding is reasonable for each component.	The request clearly specifies who is responsible for, how, and funding sources for the accomplishments will be sustained and maintained.
