Priority resources addressed by activity:

- Not Listed

Abstract:

Provide continued contract management and customer service to OHF pass-through appropriation recipients. Ensure funds are expended in compliance with appropriation law, state statute, grants policies, and approved accomplishment plans.

Design and scope of work:

This appropriation will be used to provide continued contract management services to pass-through recipients of Outdoor Heritage Fund dollars appropriated to the Commissioner of Natural Resources. The major components of contract management include: grant agreements and amendments, training, technical support, reporting, fiscal monitoring, reimbursement request review and processing, and grant close-out. The goal of the DNR Grants Unit is to provide grantees with one consistent point of contact for their agreements and excellent customer service.

Crops:

Will there be planting of corn or any crop on OHF land purchased or restored in this program - **No**

How does the request address MN habitats that have: historical value to fish and wildlife, wildlife species of greatest conservation need, MN County Biological Survey data, and/or rare, threatened and endangered species inventories:

N/A

What is the nature of urgency and why it is necessary to spend public money for this work as soon as possible:

Contract management provides oversight of reimbursement for project deliverables and meets the requirements of the Department of Administration's Office of Grants Management procedures as well as the recommendations of the Legislative Auditor.

Describe the science based planning and evaluation model used:

N/A

Which sections of the Minnesota Statewide Conservation and Preservation Plan are applicable to this project:

- Not Listed

Which other plans are addressed in this proposal:

Which LSOHC section priorities are addressed in this proposal:

Metro / Urban:

- Not Listed

Relationship to other funds:

- Environmental and Natural Resource Trust Fund

The DNR Grants Unit provides contract management services for pass-through recipients of Environment and Natural Resource Trust Fund dollars appropriated to the Commissioner of Natural Resources as well.

How does this proposal accelerate or supplement your current efforts in this area:

The DNR is currently the administrative agent for this program and is applying to continue to provide contract management services to pass-through grant recipients in FY17. This appropriation would fund contract management services billed using a professional services rate (rate for FY15 is \$56.94). Multiple staff with a variety of grant financial and/or audit responsibilities provide contract management services to OHF pass-through recipients.

Describe the source and amount of non-OHF money spent for this work in the past:

Not Listed

How will you sustain and/or maintain this work after the Outdoor Heritage Funds are expended:

There are no other funds available for this program's service activity.

Explain the things you will do in the future to maintain project outcomes:

Not Listed
