ML 2024 / FY 2025 LSOHC Member Allocation - Comments

By Order of Proposal Didled Formordson Seri-funding Seri-fundent and Wistin Essenins Red Lean Lilie Ton Sakaul Ronschara **Project ID** PA01 For easements only PA02 Too much unspent PA03 money Asking for more than they can spend -Desperately PA04 admitted it would be many years. No needssome leverage leverage. Too much remaining funding from prior PRE01 appropriations. Take a year off PRE02 require agreement from counties for no FA01 roads/trails that do not enhance wildlife FY 2026 Project habitat Public value FA02 questionable Unspent money FA03 concerns FRE01 ??? Too many habitat FRE02 goals? FRE03 WA01 WA02 WA03 WA04 WRE01 WRE02

WRE03						
WRE04						
WRE05					Water Fund/ habitat	Educational signage not eligible for funding, remove from proposal.
HA01						
HA02						
НАОЗ		agreement to not add roads or trails unless for habitat management purposes				
HA04		lots of funding from prior years to spend on restoration. Only fund acquistion if we fund anything.				
HA05						
HA06		No guarentee they will not use funds to do easy projects as the proposal does not commit to specific properties so no way to know if the funds would be competitevely used.			No specifics; need more info	Pilot Project funding for proof of concept. Demonstrate success before considering additional funding requests in the future.
HA07						
на08		agreement to not add roads or trails unless for habitat management purposes Large easement project may not happen in which case easement request will be withdrawn				
HA09		Optics of supporting a project that greatly benefits private development with no public access and no match are wrong for the council.				
HA10						
HA11						
HA12					Excessive unspent dollars	
HA13		returning \$4.3M - how to get it available for allocation in this round?			Status of returned funds????	
HA14					Unspent money concerns	
HA15						
HA16						
HA17						

HRE01			Biochar purchase just from this allocation				
HRE02							
HRE03							
HREO4							
HRE05			Only for estuary work - not uplands			Unspent dollars???	
HRE07							
HRE08							
HRE09		FOI Habitat	Great project - LSOHC is wrong funding source - Perhaps CPL grant for actual habitat restoration not demo, reconstruction or park like faclities.			Not habitat initiative; Excessive expense for 3 acres???	
HRE10							
HRE11							
01							
O2			required to fund 1/10 of 1% for this - \$160,000 - require publication with clear recommendatoins useful to project managers for better practices			Need to regroup.	1/10th of 1% max.
03			Fund after allocation by reducing project funding by imbedded IPD costs				
CPL
