Subject: REVISED Council Eval Spread Sheet (2) **Date:** Wednesday, July 08, 2015 1:12:00 PM **Attachments:** Member Evaluations_FINAL COPY.xls

Hello (again) Members,

My greatest apologies for any inconvenience, but it appears that HA 01 was also missing from your evaluation spreadsheets – I've attached a "final copy" of the evaluation sheet which I triple checked to be sure all proposals are listed!

Again, if possible please use THIS version for you evaluations. If you have already begun, and do not wish to restart, please put **PA 08 and HA 01** on THIS sheet and send it in as well (be sure to include your name at the top).

Thank you for bearing with me!

- Jacki
