Members,

Please note that the agenda for the June 23 Council meeting has been revised.

- Agenda Item #9, originally an Accomplishment Plan Amendment Request, has been changed. Item #9 will instead be a presentation from John Jaschke, Executive Director - BWSR, covering new buffer policy.
- Times have been adjusted accordingly

The previously scheduled presentation from Rich Biske, The Nature Conservancy, will be placed on the August 11 Council meeting agenda.

The original, as well as revised agenda, is attached. The updated agenda has also been posted to the LSOHC Calendar.

Best,
Jacki
