Dear Council members:

Attached is an invitation and directional map to a ribbon cutting event/dedication to celebrate the Cedar Creek Conservation Area/Rum River Erosion Control Project. The project was funded with OHF and Anoka County and managed by Anoka Conservation District.

I know that we have a Council meeting just two days later in Spicer, but I thought you would want to be aware of this event and perhaps to attend if your schedules allow. For more information contact Jeff Perry with Anoka County: 763-767.2861 or Jeff.Perry@co.anoka.mn.us
