

## Lessard-Sams Outdoor Heritage Council

### Agenda Item Memo

DATE December 11, 2012

SUBJECT: Land Conservation Appraisal Workshop

---

#### Background

The Minnesota Land Trust and The Nature Conservancy sponsored a day-long workshop on land conservation appraisals. The lead DNR reviewer, Cindy Nathan, and Wendy Walker, an appraiser in private practice with significant experience in conducting complex conservation appraisals, were the presenters.

Council members Jane Kingston and Les Bensch attended the meeting and will report on their experiences in compliance with the council's operating procedures, Section II A 5c which requires "council members to submit a written summary of the learning experience to be shared with council members."

#### Process

Council members Kingston and Bensch will make a brief presentation and answer questions from other council members.

#### Motion

This item requires no council action.
