Re: Project: Dakota County - Grannis  
County: Dakota

Dear Ms. West:

In accordance with Attachment E, the Department of Natural Resources has reviewed the appraisal that you submitted for the above project. A copy of the appraisal report reviewed by the State (if revised since submission) and the accompanying technical review report conducted for your project are attached for your reference. The property appraised is legally described as follows:

See attached legal description and conservation easement terms

The appraisal submitted has been Technically reviewed by Wendy Walker and does not meet the following standards:

- The appraisal does not meet state funding requirements for LSOHC, LCCMR, RIM Match, General Fund or State Bonding.
- The appraisal does not meet Federal aid requirements.

Thank you for your interest in working with us to preserve Minnesota's natural resources for future generations.

Sincerely,

Cindy Nathan
