

## OHF Easement Discussion Questions

- 1) Easement Valuation (a quick overview would be beneficial, but not get in the weeds)
- 2) Development prevention
- 3) Building envelopes
- 4) Existing and future structures (houses, barns, etc.)
- 5) Agricultural land and active agriculture (land allowed to be farmed, land required to be restored, haying, grazing, etc.)
- 6) Wildlife habitat prioritization
- 7) Allowed vs. prohibited uses
- 8) Natural Resource Management Requirements
